

As a resident of Colorado, I loved hearing K-Love every day. It was so uplifting to hear positive words each morning. If K-Love were displaced by an LPFM broadcaster, the positive message that todays kids need to hear won't be available. Sometimes, radio broadcasts can say things that impact our children without their even realizing it. K-Love is kid friendly. It is obvious that the children of today need a positive influence in their lives. I believe that K-Love is one of them. Please make sure that K-Love does not get displaced by an LPFM broadcaster. Thank you!
